Officer Lietz,

Thank you for your interest in our law enforcement program - Neighbors Portal by Ring. Please find a summary of our program, below.

### **Program Summary**

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to new or active investigations.

We would love to share information on the program through a live webinar, as per your convenience and availability. Please have a look at the link below and book a time that works for you.

**Booking Link:** <https://rohitmurti.youcanbook.me>

While we encourage the participation of as many officers as are interested, the presence of the following personnel would be essential to ensure optimal experience and results with Neighbors Portal by Ring:

- Partnership Coordinator
- Public Information Officer / Social Media Liaison
- Investigative - CID/Crime/Property Crime
- Community Outreach Officer
- Social Media Coordinator

Acquaintance with the [Neighbors](#) app, prior to our webinar, would be beneficial for engagement. Please feel free to call or email me if you have any questions. Thank you for your time. We look forward to hearing from you.

Sincerely,

**Rohit D. Murti**

Officer Lietz,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

### **Program Summary**

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community ([via a free app](#)) to reduce criminal activity and to help solve open investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is Section 7 (1)(c). As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles (full names and emails please)? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

# Keep your home protected and your Ring account too.

We may be a neighborhood security company, but to us, your online security is just as important. Here are some best practices to help your Ring account stay secure.

## Enable two-factor

# authentication.

To add an extra layer of security, enable two-factor authorization in the Ring app, which helps secure your account with a text verification code to your mobile phone, in addition to your password, each time you log in.

Get Started

## Shared Users, not passwords.

You should never provide your login information to others. If you want to share access to your Ring devices with others,

simply add them as a Shared User from the Device Dashboard.

[Learn More](#)

## Best practices for passwords.

Use letters, numbers and symbols.  
To create a strong password, use words you won't find in the dictionary, alternating numbers, letters – both upper and lowercase – and unique symbols.

Never recycle old passwords.  
Make a habit of using different passwords for all your applications and profiles. That

way, if one account is compromised, your other accounts are still safe.

Change your passwords often.

It's recommended to change your password every 6 months or less. If you don't remember the last time you changed your Ring login credentials, it's probably time.

Ring understands what a big decision it is to pick a home security product, and we'll continue to introduce additional security features to help keep your Ring account and devices secure.

Hi Officer Lietz and Commander Yaras,

Reaching out to confirm that the **In-App announcement** will be going out on August 27th which means that day the Neighbors portal features will be fully active. Lead coordinators can now get hands-on training and experience using portal before the full Dept Onboarding and should make for a more smooth and effective rollout.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed and share any questions, concerns or feedback you have for us at any point in the process.

**If media reaches out with questions about the partnership or the Neighbors app, or for assistance with overall PR strategy, please contact Ring's PR Coordinator Morgan Culbertson ([morgan@ring.com](mailto:morgan@ring.com)) directly (also copied on this email).**

**Neighbors App PR Materials Folder ([Click to Access](#)) includes:**

- Pre-approved social media announcement templates (a great tool for informing the community)
- Key Neighbors App Talking Points
- Reactive Q+A
- Hi-res Neighbors app imagery

**Custom Neighbors App Download Link:** [download.ring.com/mortongrove](https://download.ring.com/mortongrove)

**Simple Text Code:** 'MGIL' to 555888 from your smartphone. (*not case sensitive*)

#### **General PR Guidelines**

- **All public facing messaging and materials must be approved by both parties;** either by using approved templates or submitting to Ring PR for approval
- **Media inquiries and public requests for information about Ring or Neighbors should be flagged with both parties**
- **Per Ring's company policy, we do not publicly disclose the number of app**

**downloads or device users residing in a given area or jurisdiction to protect user privacy**

- **Neighbors Portal back-end features should not be shared with the public, including** the law enforcement portal on desktop view, the heat map, sample video request emails or the video request process itself as they often contain sensitive investigative information
- **Ring or Neighbors-specific questions from media can be directed to** [morgan@ring.com](mailto:morgan@ring.com) and any additional materials, examples, templates or information needed to support your outreach can be supplied by your PSM and the Ring PR team (all ccd).

That's it for now! We'll be on standby for any questions and keep us posted on any plans for outreach.

Best,

Hi Officer Lietz and Team,

Thank you for your time. Here is a recap of our discussion and the next steps for Morton Groves's Neighbors Portal onboarding:

## 1. Neighbors Portal Rollout

- **Investigations**
  - **Neighbors Portal Users:** Supervisors, Detectives
  - **Neighbors Portal Engagement**
    - Review Neighbors Feed for relevant intelligence
    - Comment on posts to request information
    - Create posts and comment to provide case updates/resolutions
    - Create posts and submit requests for footage, photos, and relevant intelligence to anonymous Ring device owners and Neighbors App users within a relevant investigative area
- **Community Outreach**
  - **Neighbors Portal Users:** Supervisors, Community Outreach
  - **Neighbors Portal Engagement**

Review Neighbors Feed and comment to assist residents with information and tips

- Flag posts and comments in the Neighbors Feed for detectives
- Create posts when there is an upcoming event, bulletin, or other community building opportunity

- **PIO/Media/Social Media**

- Identify and share case resolution stories with your community to create positive engagement
- Encourage community members to download and join the Neighbors App as a free way to anonymously discuss crime and safety updates and receive information from law enforcement
- Review Neighbors Feed and comment when applicable

Each group plays a vital role in your success on Neighbors Portal. Please support each other's efforts in Neighbors Portal and hold your colleagues accountable for their roles on the platform.

## **2. In-App Announcement**

Before we proceed with activating Morton Groves's Neighbors Portal, Ring will need to schedule our standard in-app announcement. This message comes from Ring and will be viewable to all Morton Grove Neighbors app users.

The standard message template can be viewed here and is simply to inform our users and set the stage for your participation on the app. **Once approved, we can move forward with the training.**

### 3. Public Announcements or Press/Media Inquiries

Once your in-app announcement goes live, I'll follow up with talking points and sample social media posts. Until then, please refrain from external-facing outreach or publicizing of the Neighbors App, Neighbors Portal and/or partnership.

Please be sure to connect with myself as well as Ring's PR team (via [Media@ring.com](mailto:Media@ring.com)) regarding any inbound media inquiries.

Please reach out with any questions!

Officer Lietz,

Thank you for your interest in our law enforcement program - Neighbors Portal by Ring. Please find a summary of our program, below.

## **Program Summary**

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to new or active investigations.

We would love to share information on the program through a live webinar, as per your convenience and availability. Please have a look at the link below and book a time that works for you.

**Booking Link:** <https://rohitmurti.youcanbook.me>

While we encourage the participation of as many officers as are interested, the presence of the following personnel would be essential to ensure optimal experience and results with Neighbors Portal by Ring:

- Partnership Coordinator
- Public Information Officer / Social Media Liaison
- Investigative - CID/Crime/Property Crime
- Community Outreach Officer
- Social Media Coordinator

Acquaintance with the [Neighbors](#) app, prior to our webinar, would be beneficial for engagement. Please feel free to call or email me if you have any questions. Thank you for your time. We look forward to hearing from you.

**Subject:** [S] Ring MOU - Morton Grove Police Department, IL

Officer Lietz,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

## **Program Summary**

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community ([via a free app](#)) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal by Ring is a free service offered to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the [Neighbors](#) app (in response to videos or comments posted by the Neighbors community).
3. **Alerts** - Ability to post alerts based on proximity to the recipient, in the [Neighbors](#) app.
4. **Video Request** - Ability to request videos from Ring device owners who may have captured footage, that may be of help to you for new or active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is Section 7 (1)(c). As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles (full names and emails please)? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Officer Gina Lietz ([glietz@mortongroveil.org](mailto:glietz@mortongroveil.org))

- Public Information Officer / Social Media Liaison - TBD
- Investigative (CID/Crime/Property Crime) - TBD

**Subject:** [S] Ring MOU - Morton Grove Police Department, IL

Officer Lietz,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

### **Program Summary**

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community ([via a free app](#)) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal by Ring is a free service offered to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the [Neighbors](#) app (in response to videos or comments posted by the Neighbors community).
3. **Alerts** - Ability to post alerts based on proximity to the recipient, in the [Neighbors](#) app.

4. **Video Request** - Ability to request videos from Ring device owners who may have captured footage, that may be of help to you for new or active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is [REDACTED] Section 7 (1)(c) [REDACTED]. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles (full names and emails please)? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Investigative (CID/Crime/Property Crime) - TBD

Hi Officer Lietz and Commander Yaras,

Reaching out to confirm that the **In-App announcement** will be going out on August 27th which means that day the Neighbors portal features will be fully active. Lead coordinators can now get hands-on training and experience using portal before the full Dept Onboarding and should make for a more smooth and effective rollout.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed and share any questions, concerns or feedback you have for us at any point in the process.

**If media reaches out with questions about the partnership or the Neighbors app, or for assistance with overall PR strategy, please contact Ring's PR Coordinator Morgan Culbertson ([morgan@ring.com](mailto:morgan@ring.com)) directly (also copied on this email).**

**Neighbors App PR Materials Folder ([Click to Access](#)) includes:**

- Pre-approved social media announcement templates (a great tool for informing the community)
- Key Neighbors App Talking Points
- Reactive Q+A
- Hi-res Neighbors app imagery

**Custom Neighbors App Download Link:** [download.ring.com/mortongrove](https://download.ring.com/mortongrove)  
**Simple Text Code:** 'MGIL' to 555888 from your smartphone. (*not case sensitive*)

#### **General PR Guidelines**

- **All public facing messaging and materials must be approved by both parties;** either by using approved templates or submitting to Ring PR for approval
- **Media inquiries and public requests for information about Ring or Neighbors should be flagged with both parties**
- **Per Ring's company policy, we do not publicly disclose the number of app downloads or device users residing in a given area or jurisdiction to protect user privacy**
- **Neighbors Portal back-end features should not be shared with the public, including the law enforcement portal on desktop view, the heat map, sample video request emails or the video**

request process itself as they often contain sensitive investigative information

- **Ring or Neighbors-specific questions from media can be directed to [morgan@ring.com](mailto:morgan@ring.com)** and any additional materials, examples, templates or information needed to support your outreach can be supplied by your PSM and the Ring PR team (all ccd).

That's it for now! We'll be on standby for any questions and keep us posted on any plans for outreach.

## **2. In-App Announcement**

Before we proceed with activating Morton Groves's Neighbors Portal, Ring will need to schedule our standard in-app announcement. This message comes from Ring and will be viewable to all Morton Grove Neighbors app users.

The standard message template can be viewed here and is simply to inform our users and set the stage for your participation on the app. **Once approved, we can move forward with the training.**

### 3. Public Announcements or Press/Media Inquiries

Once your in-app announcement goes live, I'll follow up with talking points and sample social media posts. Until then, please refrain from external-facing outreach or publicizing of the Neighbors App, Neighbors Portal and/or partnership.

Please be sure to connect with myself as well as Ring's PR team (via [Media@ring.com](mailto:Media@ring.com)) regarding any inbound media inquiries.

Please reach out with any questions!

Hey Justin,

Thats no problem at all. Since I am currently working towards a new role this would be a great opportunity to introduce my new inside sales colleague Rohit Murti CC'd in this email. I will have Rohit take the leading charge here in providing you all the necessary information you need to know about the Portal.

Rohit - Can you please link up with Office Jurasz of the Morton Grove PD - IL and present to him the full overview of the Portal?

Thanks and it was a pleasure meeting you Justin. Hope to see you and your department using the Portal soon!

Good Morning All!

Please have everyone that will be attending our webinar onboarding today to bring a laptop into this meeting. I will try to keep this as interactive as possible.

If any of your detectives have ongoing investigations please have them bring that information to the meeting.

Everyone on the list should have received the email to create their account with the Portal. If anyone did not receive it please let me know so I can look into this deeper.

Gina- Please take a look at bullet point one [here](#), I will have you put out this type of post during the meeting today.

Everyone on the list should have received the email to create their account with the Portal. If anyone did not receive it please let me know so I can look into this deeper.

Gina- Please take a look at bullet point one [here](#), I will have you put out this type of post during the meeting today.
